נושא: Army help...

Hi Ms Barak! I hope all is well. I'm emailing on behalf of a good friend of mine who wants to make Aliyah and join the army but is facing a lot of obstacles. He wants to do Atudat Olim, studying Economics in either Hebrew University or Bar Ilan. He was given wrong information about deadlines and requirements and so wasn't able to start school this year, in October 2015, and instead he would like to start in October 2016. However, the deadline the army has given him to start school is March 2016, otherwise he must leave the country. He'd like to know if there's any way he can get an extension on the March deadline so he can go to school in October 2016, instead of March. Any help would be greatly appreciated.
Thanks so much and all the best!
